

Dear Clients, Colleagues and Associates,

We are pleased to announce that **Ms. Nataki Hypolite** has been appointed to the position of **Portfolio Manager** with the overall responsibility for the management of all Acuitas construction projects. Nataki will lead our project management teams in ensuring that our operational activities are aligned with our client's objectives, construction best practices and in conformance with the Acuitas **ISO 9001:2015** certification.

Nataki is the holder of a Bachelor's honours degree in Civil Engineering and a Master's degree in Business Administration. Nataki has achieved extensive 20+ years post graduate experience in the construction industry, the last 16 of which have been with Acuitas where she has been the project manager on a number of our large green field projects with construction costs totaling TT \$ 1.9 Billion. **Nataki exemplifies the very best of the new generation of Caribbean professionals with her passion for excellence and unswerving commitment to strong leadership, competence, hard work and integrity.**

We ask you to join us in congratulating Nataki for accepting her new and expanded role and we take this opportunity to thank you for your continued support as Acuitas looks forward to the future with positive energy, enthusiasm and optimism.

Regards,

Geoffrey Abdulah, Ian Marfleet and Giselle Holder  
Acuitas Directors
